Adhesives for Manufacturing

**HANDBAGS * WALLETS * BELTS * FOOTWEAR
* LUGGAGE * SMALL LEATHER GOODS * LEATHER GARMENTS**

Basic Adhesives is a premier manufacturer of "green" adhesives for the leather goods industry. We provide a complete range of water-based adhesives. All adhesives are easy to use, nonflammable and non-hazardous. Our adhesives are of the highest quality with more than 30 years of success. These premium-grade adhesives are designed to adhere to leather, bonded leather, patent leather, PU, PVC, vinyl, fabrics and wood. Adhesives can be roller coated, sprayed, heat activated or applied manually.

Adhesive Applications

Pressure Sensitive Adhesives For Turning Edges

- Adhesive is tacky when dry
- Apply to surface and adhere wet or dry
- Fast grab
- Provides adhesives with permanent, temporary or repositionable bonds

Heat Activated Adhesives

- Coat on one or two surfaces and let dry
- Reactivate with heat and pressure

Contact Cements

- Coat on both sides, let dry and put together
- Adhesives adhere to themselves

Laminating Adhesives

- Permanent bonding of two different materials
- Coat on one side and adhere while adhesive is wet

Edge Stains & Primer

- Available in many colors with matte or semi-gloss finish
- Non-cracking and will not rub off
- For belts, handbags and wallets

Advantages of Basic Water-based Adhesives

"Green" Environmentally Friendly Adhesives

- Adhesives tested to comply with the European Chemicals Agency REACH Regulation for Substances of Very High Concern list (SVHC) (SUH)
- Adhesives comply with the U.S. Clean Air Act and California Proposition 65
- Zero and low VOCs (Volatile Organic Chemicals)
- Offers ability to save on Environmental Taxes
- Our staff is available to assist factories in the transition to water-based adhesives

Environmentally Friendly

- Non-toxic
- Non-flammable
- Non-hazardous
- Easy and safe disposal

Improvement in Factory Production

- Low odor
- 50% less usage

Excellent Quality

- Shelf life is one year
- Easy clean up
- Over 30 years of proven performance

Resists Mold

- Anti-mold and anti-fungal additives
- No discoloration

Chemists/Lab Assistance

- We can develop new products meeting special criteria
- Extensive quality control program

World Wide Distribution

- Asia, Canada, Central America, South America, and expanding
